To whom it may concern

Dear Sir/Madam,

Recommendation for Mr. Faheem Jan

It is indeed my pleasure to write these lines in favor Mr. Faheem Jan. I have known him since 2016 when he did BS (Hons) in Computer Science from Department of Computer Science, Govt. Postgraduate College Charsadda affiliated with Bacha Khan University Charsadda. I have been impressed by the Faheem Jan Academic Potentials, intellectual skill diligence and dedication. He is hardworking, articulate and persuasive with a developed sense of devotion. His enthusiasm and commitment with academic matters and professional affairs and administrative work is remarkable and brilliant.

Faheem Jan is energetic, intelligent, sociable and dependable. He has an even personality with pleasant manner. He is highly motivated, well disciplined and well organized person. In my observation he has a good and sound academic background. He also has excellent interpersonal and communication skill, a strong analytical and interpretive ability and confidence to critical tasks. He has shown deep interest with his profession and would like to go abroad for further learning, knowledge and innovations through the scholarship and fellowship to alliance knowledge and information for the successful completion of MS and PHD research. As an academician which is evident from Faheem Jan have keen interest to involve in future training and improvement.

I have no hesitation in recommending his case strongly.
